MEMO ENDORSED

RE: USA v. GEORGE FEROLETO

Dear Judge Robinson:

07CR317

This letter is sent to request permission for Mr. Feroletto to travel to the Waldoff on East Post Road in White Plains, NY in the morning of the first and third Wednesday of every month. Mr. Feroletto requests the permission to travel to get a bi-weekly haircut. Provided there is no wait, the haircut takes approximately a half an hour. During this time Mr. Feroletto will have no unsupervised contact with minors.

As you are aware, the Court's conditions of release included home confinement with electric monitoring. However, the court modified the conditions of release to allow Mr. Feroletto to travel for work related purposes. To date, Mr. Feroletto has been compliant with all his conditions of release.

We have contacted Assistant United States Attorney, Ms. Nola Heller as well as Mr. Vincent Adams from pre-trial supervision and neither had any objection to this request. Please contact me if any further information is necessary.

Sincerely,

Thomas J. Eoannou, Esq.

Mr. Feroletto is granted permission to travel to get one haircut on the first Wednesday of each month.

SO ORDERED
Stephen C. Robinson
